

Press Release – Immediate Release

Superyacht Tenders and Toys exclusively offer the yachting industry the **Yike Bike** for purchase

Superyacht Tenders and Toys, the leading independent consultancy specialising in all yacht tender and toy needs, is pleased to announce that they are now offering the next new sizzling hot yacht toy for purchase - the **Yike Bike**. The **Yike Bike** is an electric folding bike that is revolutionising personal transportation ashore. Weighing 11.5kg, packing up in 15 seconds and able to do 23kp/h for 10 km under a single 50 minute charge it is no wonder that this is the new must-have toy. No more sweaty commutes or trips to the shops and no specialized gear needed. Be one of the select few in the world to own one.

Company founder Josh Richardson comments *'try it and you will wonder how you have ever lived without one! Usually taking clients 10-30 minutes to master it is great fun, looks seriously cool and can be individually customised with graphics or boat names as required. There are two options, an ultra cool lightweight all carbon, or a composite and aluminium frame. Come try them at Monaco Yacht Show.'*

Specifications:

- 11.5kg weight
- Electric brushless DC motor
