Superyacht Tenders and Toys expands team with Yacht Toy Specialist

Superyacht Tenders and Toys has recruited Mark Peak as a Yacht Toy Specialist increasing the company's specialist knowledge in this expanding area of the market. Mark will take on a training role for the company, training clients purchasing new yacht toys, a service that is unique to Superyacht Tenders and Toys. A qualified RYA instructor across a whole range of watersports, Mark is well suited to the role.

Superyacht Tenders and Toys is unique in offering inclusive training when supplying yacht toys. This is particularly key given that many yacht toys are not covered by traditional training courses, including jetpacks, Flyboards, powered surfboards and Seabobs.

Josh Richardson, Director of Superyacht Tenders and Toys, said “We are delighted to welcome Mark to the team. With the growth of the company, it became apparent that we really needed a talented person who is active in watersports, and Mark has the specialist knowledge that we were looking for.”

Mark will also offer training for the company's charter clients, with Superyacht Tenders and Toys then able to supply toys for rental.

As well as providing training, Mark will take a lead role in supplying yacht toys to new build superyachts, creating recommended packages to suit both their owners and guests.
