Superyacht Tenders and Toys sees increase in demand for Tender Refit, Repair and Refurbishment Packages

Superyacht Tenders and Toys has seen an increase in demand for its Tender Refit, Repair and Refurbishment packages in 2016. The company is fast becoming the go-to place for tender refits, repairs and refurbishments offering a complete package always at the best value.

With secure undercover storage, first-rate workshops and a vast expanse of in-house knowledge, they live and breathe tenders on a daily basis.

Josh Richardson, Director, says “Whether you need gel coat repairs, upholstery, covers, RIB tubes, painting, air conditioning or a full refit in wood, glass or carbon, we have the resources and expertise to deliver on time and on budget. Our on-site full-time project managers are here to report on progress and keep the client informed, controlling costs, timescales and transparency.”

Ideally located for boats in the Mediterranean and Northern Europe, Superyacht Tenders and Toys can take care of all shipping, including collection from the yacht anywhere in the world. This takes away the hassle of logistics and the costs of shipping have proven time and time again to far outweigh the inflated Mediterranean prices.

The company has experience and knowledge in all Classics, SOLAS, Limousine and RIBS and are trusted by the manufacturers to deliver service and support that is second to none. Coupled to the new and used sales and brokerage service, this is proving very popular with clients.

To discuss your refit or refurbishment requirements, please contact them at info@superyachtendersandtoys.com
