

MASTER DECK TEMPLATE FOR SLIDE MEASURING

superyacht
INFLATABLES

A - Measured from the Water Line to the top of the Hand Rail. The slide mounts over this Hand Rail.

B - This is the railing area where the slide will mount over. Measure from the deck up to the top of the rail. Make note of any bench seats that may be in this area. If measuring over a bench seat, remove the cushions and provide the following dimensions: Width of seat from Bulwark and height of seat from Deck.

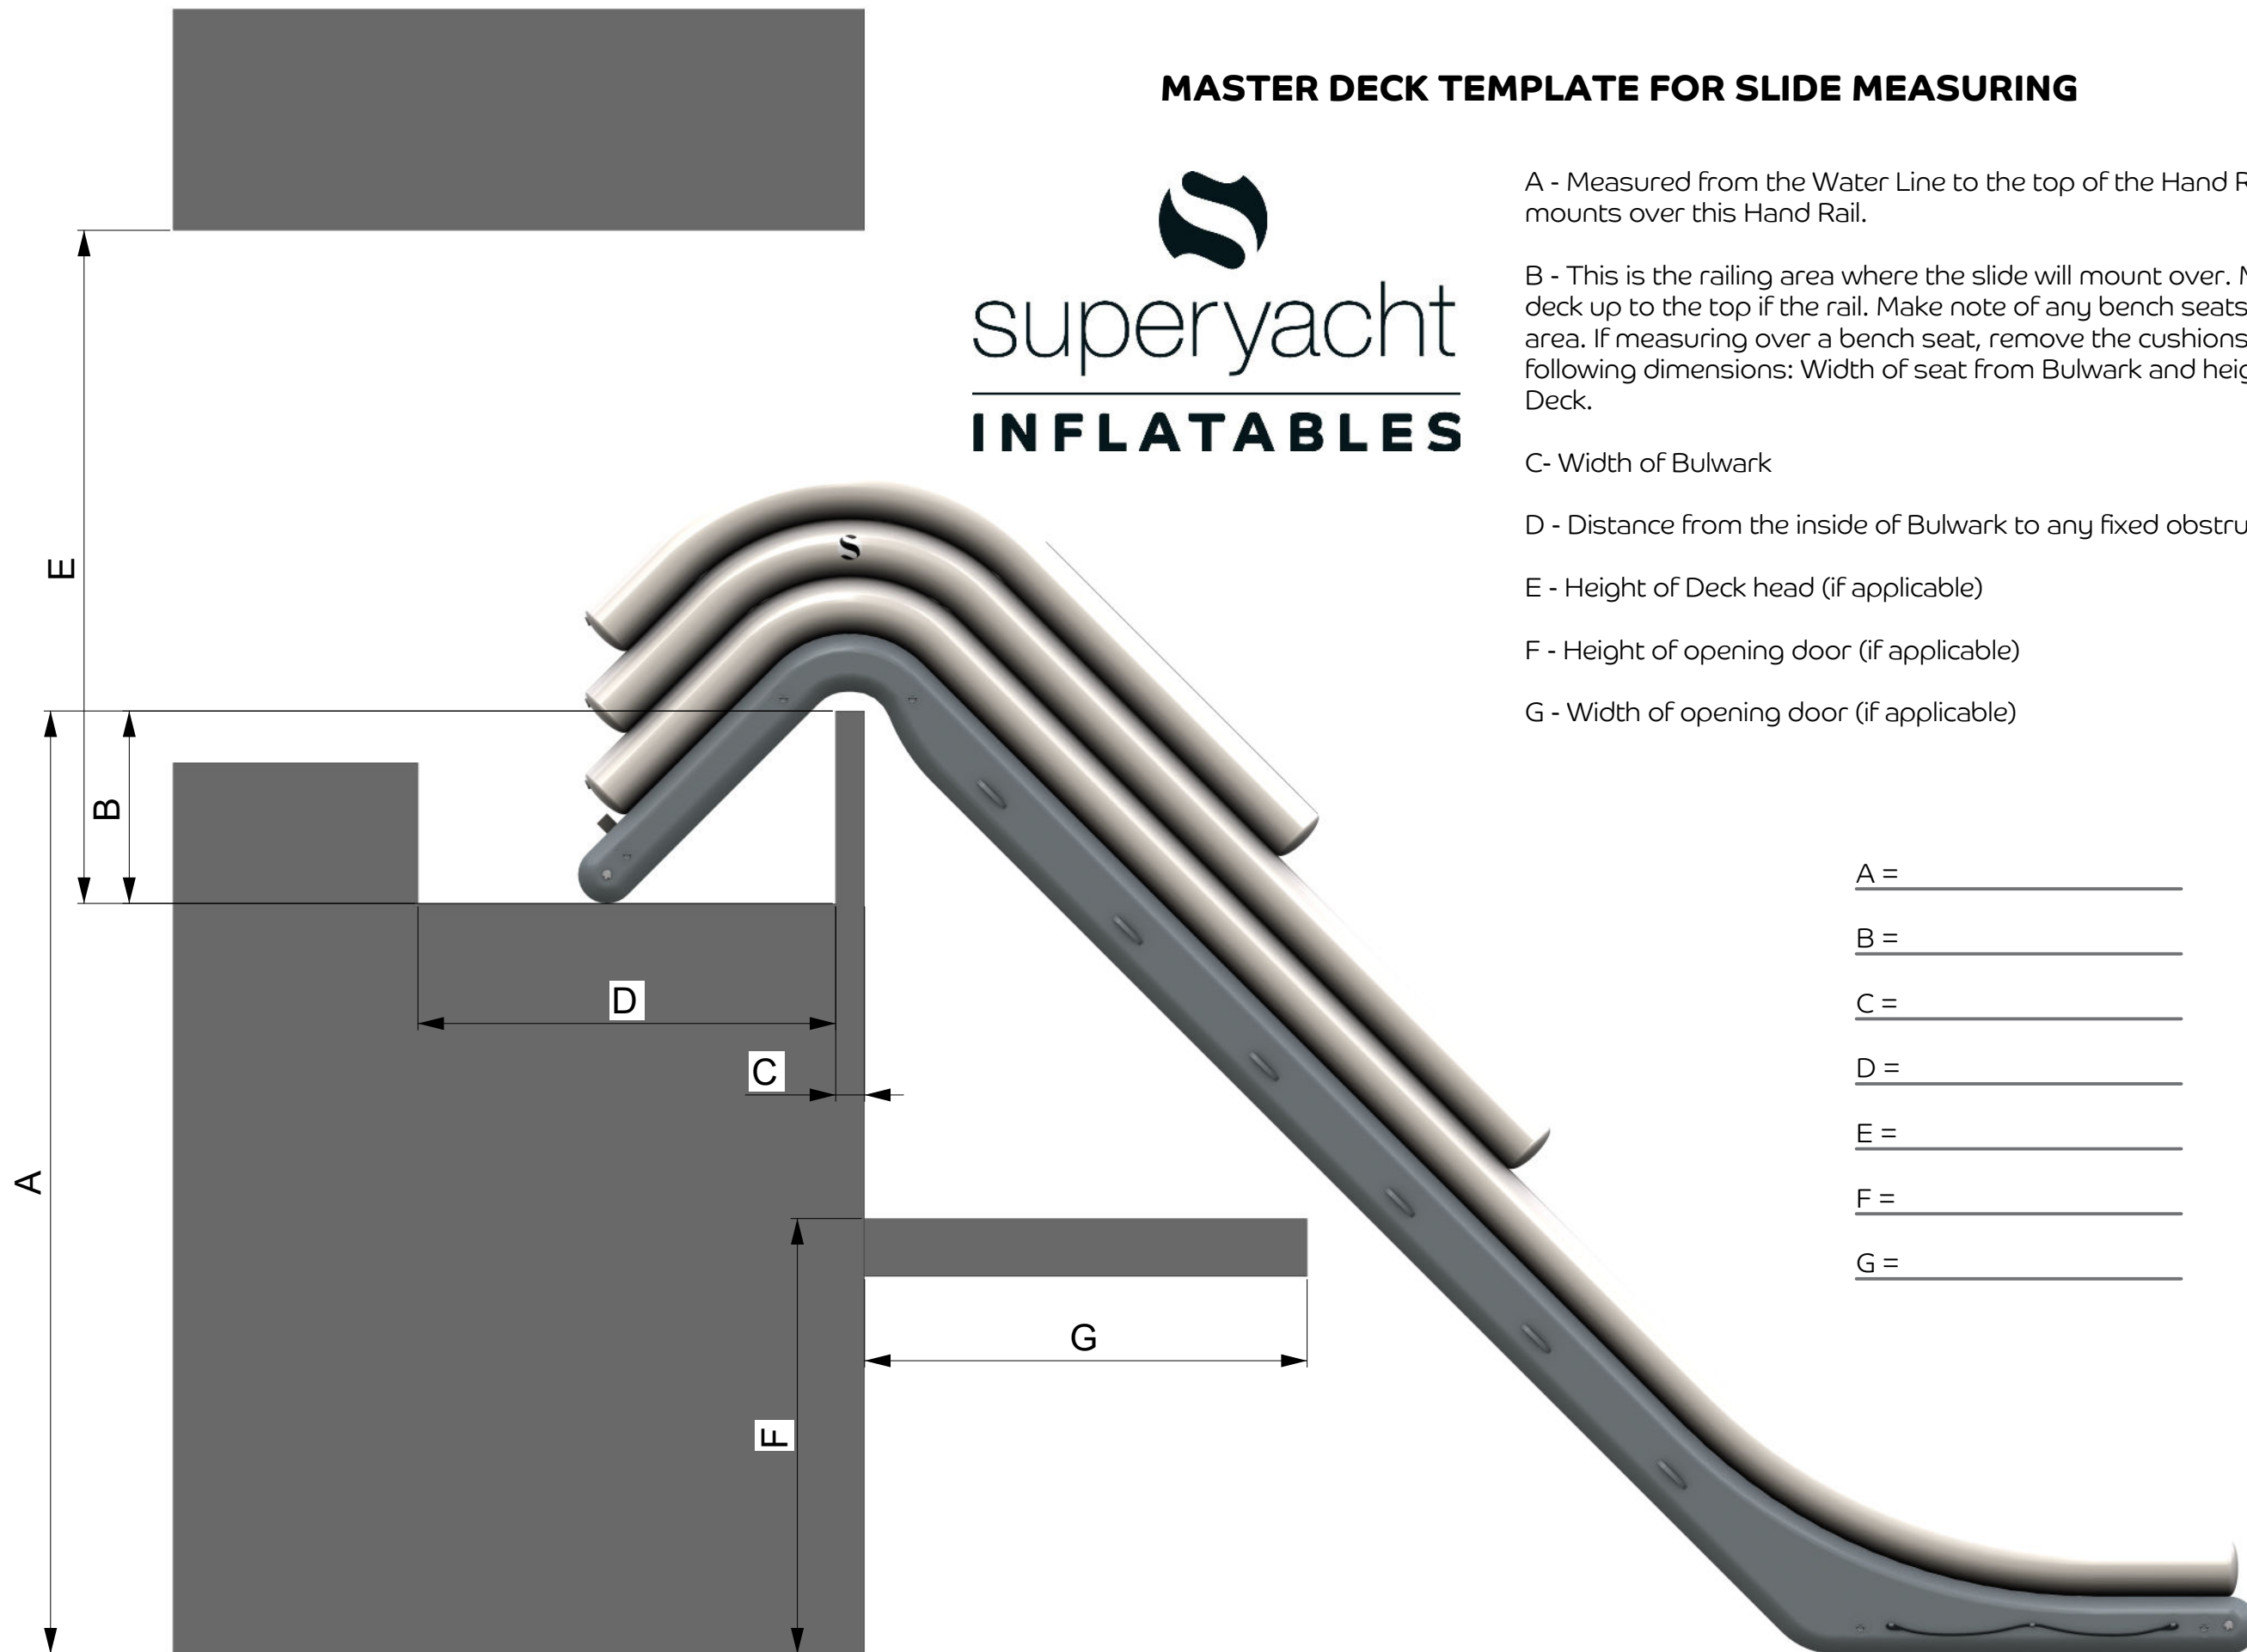

C - Width of Bulwark

D - Distance from the inside of Bulwark to any fixed obstruction on the Deck.

E - Height of Deck head (if applicable)

F - Height of opening door (if applicable)

G - Width of opening door (if applicable)

A = _____

B = _____

C = _____

D = _____

E = _____

F = _____

G = _____
